

Dear TCH Lakeshore Families,

The children continue to adjust to their classroom environments and continue to have a positive experience with the Montessori program. Thank you for your support with quick and positive drop offs. We understand that it is difficult separating and would like to ensure you that your child is receiving the care and attention they require and deserve. Please refrain from lingering in the classroom as this only makes the separation more difficult.

**Parking:**

Please **do not** park in front of the school for any reason. This is a fire route and this area must remain clear at all times in case of an emergency. Please use the proper entrance and exit routes to ensure safety for everyone. You will be asked to move your car if you are parked in this area. You may park in front of the garbage bins if there are no parking spaces available at the time of drop off.

**Menus:**

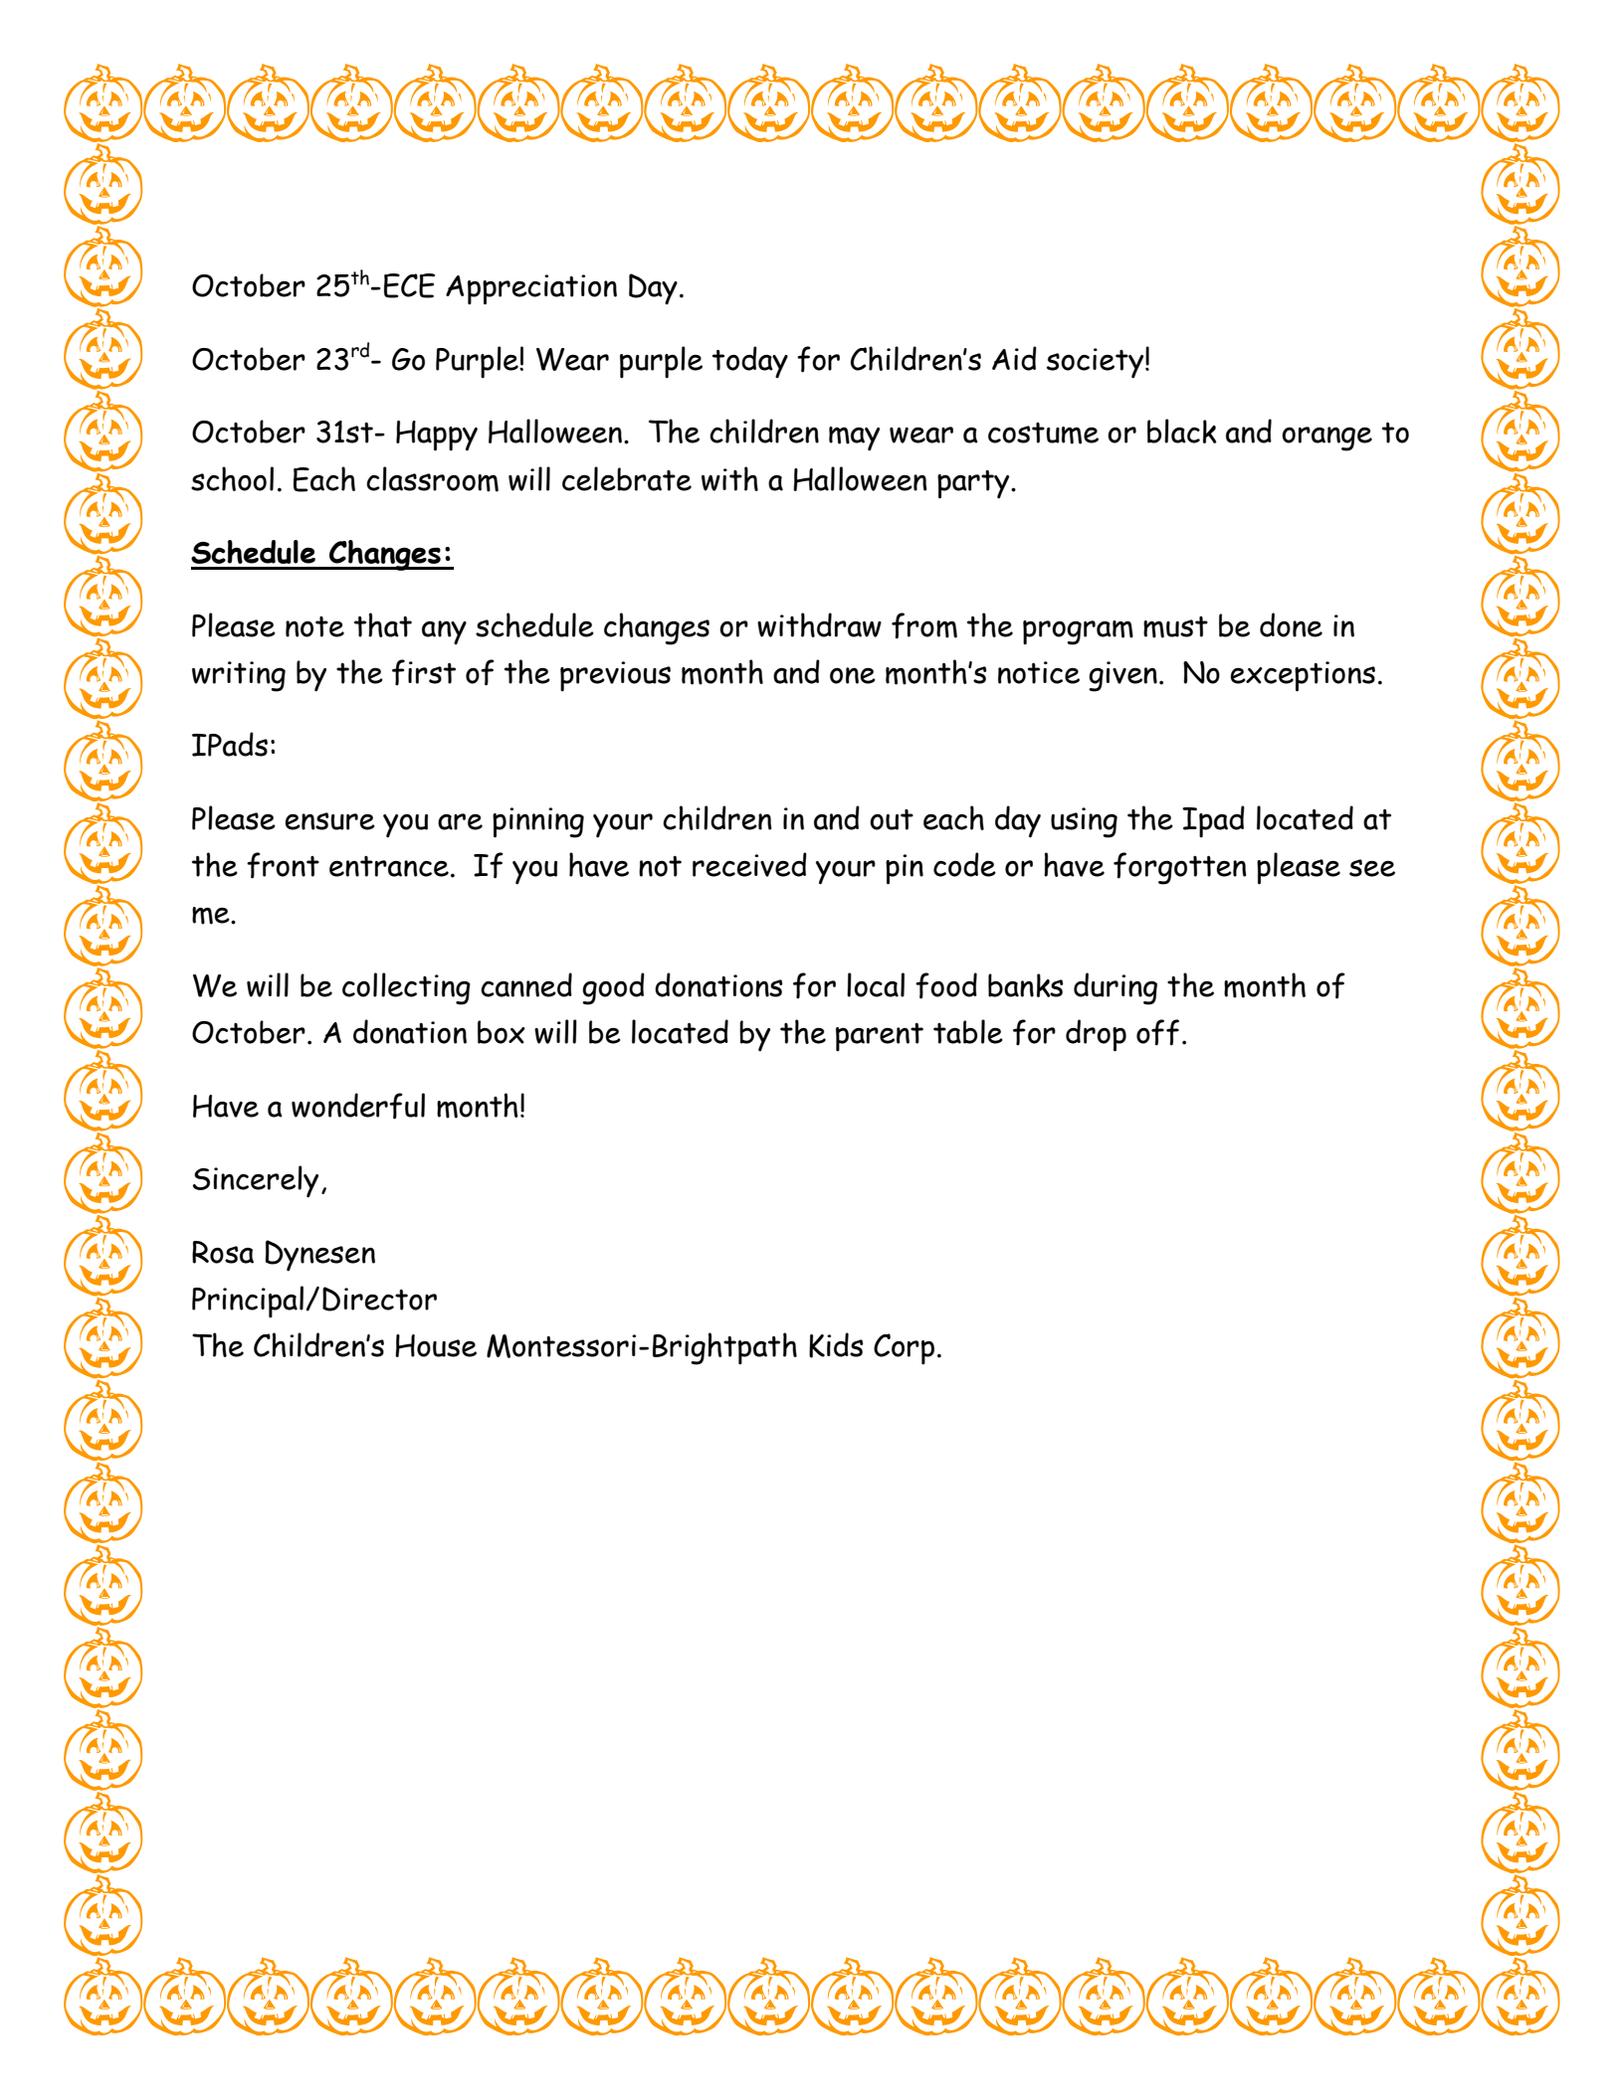

Copies of the weekly menu are available on the parent table. Our menu offers home-made, nutritional food choices based on the Canada Food Guide. Parent feedback is certainly welcome. No outside food is to be brought in for any reason. Just a reminder that there is absolutely no outside food permitted, this includes for birthday celebrations. A craft is a fun activity for your child to share with their friends as well.

Please ensure you are pinning your children in and out each day using the Ipad located at the front entrance. If you have not received your pin code or have forgotten please see me.

We will be collecting canned good donations for local food banks during the month of October. A donation box will be located by the parent table for drop off.

Have a wonderful month!
